# General Information for Parents and Leaders

## Day Camp

Day Camp brings the Cub Scout camping experience close to home for many of our Cub Scouts. Last year, over 270 Cub Scouts experienced Day Camp at one of our five District Day Camps. For many, this was their first Cub Scout camp, the first time they have ever shot a BB gun or loosed an arrow from a bow. Day Camp brings the camping experience to you, as it is held at different locations across the council, including city parks, churches, conservation clubs, and more. This year's theme and program will be expanded to offer even more excitement for you and your Cub Scouts.

## Day Camp Staff

Each Cub Scout Day Camp will need a team comprised of a Day Camp Director to supervise the operations of camp, and a Program Director who will guide the program areas at camp. These teams will help guide the Day Camp program and manage the behind the scenes operations, and work with volunteers to provide a quality experience for our Cub Scouts.

That being said, **the true heart and soul of Day Camp IS YOU, THE VOLUNTEERS.** Each Day Camp will require multiple (at least nine) volunteers from the local areas / districts to help run the daily program areas. **We need your help filling these positions!**

Day Camp volunteers may range in age and ability from Boy Scouts who act as den guides, parents or adult leaders who run program areas, or trained staff to safely act as our range safety officers. Below are descriptions of duties for these volunteer positions. Each staff member will need to complete Youth Protection Training and attend Camp Staff Training. If you or someone you know is interested in volunteering for Day Camp Staff, please fill out the application on Page 17 and turn it in to your local Scout office or Scout store, or you may contact your district executive.

## An Adventurous Program in Scouting

Cub Scouts and leaders will spend each day exploring the camp and visiting the program areas. Age-appropriate learning experiences and physical activities are interwoven with fun and excitement, preparing them for the camping experience yet to come! Archery, BB guns, nature and physical activities are among the many adventures Cub Scouts will enjoy daily.

Read on for more information on Day Camp!

# Camp Rules and Emergency Procedures

Below is a list of camp rules and procedures that all Scouts are asked to follow. Please review this list with Day Camp pack volunteers, parents and Scouts and be familiar with them before arriving at camp.

## Day Camp Rules

1. Have Fun!!!
2. All participants will be issued an identification band that recognizes them as a camper.
3. Packs are to provide one volunteer to run a program station.
4. Anyone registering for Day Camp as an individual Scout must have a parent or guardian present who may be requested to assist with program areas.
5. Unless helping at a program station, adults must accompany their Cub Scouts at all times.
6. Your den must stay together at all times. (Remember that at Day Camp, your den may consist of Scouts from other packs.)
7. Walk at all times unless participating in an activity where running is allowed.
8. Wear closed-toed shoes (sneakers or hiking boots); this includes adults. **NO EXCEPTIONS.**

## Emergency Procedures

When you hear the emergency horn, walk to the proper area defined in emergency protocols. As soon as you arrive, have a seat near your pack and remain quiet. (Leaders take a head count of Scouts, den chiefs, and leaders in the area. Report your pack number and your counts to a nearby staff member.)

**DO NOT DEPART THE AREA until the staff dismisses you. There will be a brief meeting following each drill or procedure.**

## Program Areas

Each day, Cub Scouts will travel to the different program areas and participate in a variety of activities in each area. Each group will attend four areas each day including an archery range, a BB range, and handicrafts during daily sessions. When in an area, Scouts will receive instruction for learning a new skill, improving a current skill, or be provided with opportunities for games and crafts. Scouts stay in each area for approximately 50 minutes, with multiple activities at each area. Program areas focus on having fun safely, learning skills, and age appropriate activities.

### ARCHERY

This program area offers archery shooting and instruction. Scouts will have a daily opportunity to develop their archery skills and a chance to earn the *Bulls Eye Marksman Award!*

### BB's

The BB range is the place where Scouts get to test their sharpshooting abilities! Scouts will attend the range each day of program to hone their skills and attempt to earn the *Top Marksman Award!*

### CRAFTS

These program area will include opportunities to build objects of flight they can take home with them, while learning why flight is possible. Projects include kites, airplanes, and so much more!

### GAMES

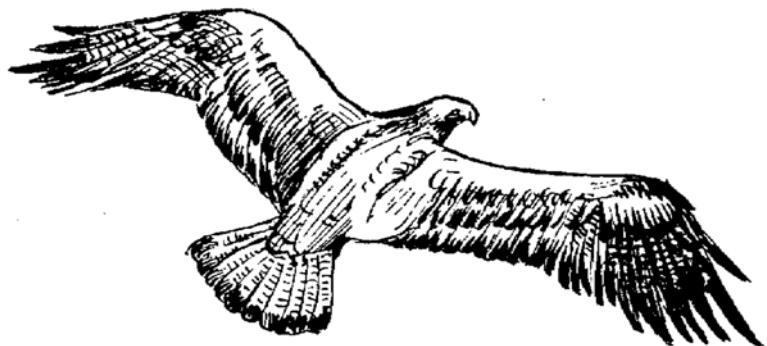

In this program area, Scouts will participate in multiple different field sports, learning about sportsmanship and team play. This is also an opportunity for Scouts to burn off energy and will be physically active.

### FISHING

Fishing will be available at some Day Camps. Bring your own pole or use ours. Scouts will have the opportunity to earn the *Biggest Catch Award!*

### Other Activities

There will be a lot of other things to do including, but not limited to, bird identification, egg drop contest, weather study and other activities.

## Other Camp Policies

**COUNCIL REFUND POLICY** - In all programs offered in the Heart of Ohio Council, BSA, a great deal of planning and purchasing takes place well in advance. These plans include, but are not limited to, staff, food, program materials, patches, awards, rental and purchase of equipment.

A pack or parent that finds it necessary to cancel their reservation must do so **30 days prior to the camp date** to receive a refund of fees paid, less a 15% administrative charge. No refunds will be made after the 30-day cancellation deadline. All cancellations must be made to the council program secretary, by phone at 419-207-8300, or in writing to P.O. Box 368, Ashland, OH 44805. More details about our policy can be found on our website, [www.heartofohiocouncil.org](http://www.heartofohiocouncil.org).

**YOUTH PROTECTION** - This may best be explained by saying that no adult (18 years or older) should ever be alone with a youth member. The best method for the youth member and for you is the buddy system. National standards for camping require that all Scouts should be paired with a buddy for activities at camp. Also that each pack have at least two adults in camp for the entire week, or have made arrangements to share responsibilities with another pack coming to camp the same week. Youth Protection Training is required.

**ADULT LEADERSHIP** - In accordance with the policy of the BSA, Heart of Ohio Council, camps require a minimum of two leaders in attendance at all times. The ratio of leaders to youth is two leaders for the first eight Cub Scouts and one additional adult leader for each additional four Cub Scouts. One of the unit leaders must be at least 21 years of age and a registered member of your pack or another unit in the council. The second leader may be a registered Scouter 18 years or older, or a parent of a participating Scout. For example if you have 10 Cub Scouts attending, your pack will need to provide three adult leaders (2 for the first 8 and 1 additional for the 2 after the first 8). **If a pack does not register as a pack for Day Camp, then the ratio becomes one adult for each youth in attendance (example: your pack registers as 10 individual Cub Scouts, then you would be required to bring 10 individual adults).** If you only have one leader, it may be possible to match you with another pack. Please take into consideration if you or an adult leader of your pack has agreed to volunteer for Day Camp Staff, they **CANNOT** be counted towards your pack's leadership requirement at Day Camp. Any Tiger Cub Scouts who attend Day Camp are required to have an adult partner with them at Day Camp.

The ideal leadership of Cub Scout youth is to have the same two adult leaders (or more) throughout the entire camp session. However, if it is not possible to have that continuity, you have two options: first, if you have two leaders, you may rotate one of those leaders throughout the week (with advance notice to the camp staff); or second, if you have more than two leaders, two may be rotated throughout the week, as long as one leader remains constant.

**DAY CAMP VOLUNTEERS** - The Heart of Ohio Council is looking for volunteers to help run this year's Day Camp. Volunteers interested in assisting with Day Camp will need to fill out the Volunteer Day Camp Staff Application in this booklet. Youth Boy Scouts, Venturers, Girl Scouts, and American Heritage Girls may apply to act as den guides or assistants in program areas. All youth must be at least 14 years of age to volunteer. All adult volunteers must complete BSA Youth Protection Training before Day Camp. Adults who volunteer for Day Camp Staff **CANNOT** be counted to reach the required number of adult leadership a pack must provide.
