### Public Apology of Law Director John R. Spon

On July 7, 2020 I made certain statements to members of the Mansfield Charter Commission. My statements were not planned and were impromptu; and certainly not intended to offend or cause harm to any citizen. However, upon reflection I realized that my statements were also unfair to many good Republicans that sincerely and rightfully cherish their traditional Republican values.

In accordance with the same I publically apologize to Marilynn John, Chairwoman of the Republican Party and all Republican, Democratic, and Independent citizens. My statements were unequivocally inappropriate and unfair, for which I profoundly regret and sincerely apologize.

Sincerely,

John R. Spon  
City of Mansfield Law Director
