WHAT TO EXPECT

Your help is needed now more than ever and we hope to make the 32nd Annual Catalyst Rehab Telethon a great success! Since 1992, the Telethon has helped to ensure that The Rehab Center (now part of Catalyst Life Services) can continue to provide services to individuals in need throughout North Central Ohio. We will continue the tradition as a televised production on Saturday February 4th, 2023. Tune in live to “Watch it Happen” on WMFD-TV all day from 11am - 8pm. Join us for entertainment, community guests, local celebrities, and stories of hope and success.
