music that goes beyond

eurobrass 2023

music that goes beyond

Since 1978, the eurobrass ensemble has captivated German concert audiences with its unique combination of beautiful music and a message of hope and joy in Jesus Christ. This year, for only the third time in its 45-year history, the ensemble will be touring in the United States. Showcasing various combinations of trumpets, horns, trombones, euphonium, and tuba, eurobrass will present a program that reflects the diversity and richness of God’s creation, performed with musical precision and infectious joy.

The twelve members of the eurobrass ensemble come from twelve states—ten in the US, two in Germany—and perform in ensembles ranging from symphony orchestras to soul bands. A eurobrass concert includes a similar diversity of music, from classical to gospel jazz and from ancient hymns of the church to modern praise and worship. Come see for yourself how music can go beyond!

The eurobrass ensemble is the flagship of the nonprofit organization “eurobrass – music that goes beyond,” located in the Black Forest of Germany.
