Lead Guidance Counselor Heather Allen said, "I want to commend our students who made the Honor Roll for the third quarter! This is a truly great accomplishment. Online school demands a high level of commitment and self-discipline, and these students have excelled in these areas.

GOAL Digital Academy is immensely proud of their hard work and determination. Keep up the great work, students!"

As we approach the end of the school year, the staff at GOAL Digital Academy is overflowing with pride and admiration for the Honor Roll students whose outstanding achievements highlight their unwavering academic dedication and excellence.

This achievement reflects not only the hard work and dedication of the students but also the nurturing and empowering environment provided by GOAL. As we honor these students, we look forward to the immense potential and promising futures they are sure to achieve, propelled by the commitment that characterizes the GOAL Digital Academy community.
