Office of the Superintendent

October 3, 2024

Dear Shelby Families,

As a follow-up to the communication sent on March 4, 2024, I have been informed that the staff member placed on administrative leave following serious allegations has been arrested, and criminal charges have been brought against them. This news may be unsettling, especially for families with children in our schools. We have been in touch with the district's legal counsel and are awaiting further guidance. As shared previously, the staff member was immediately placed on leave and has had no contact with students or staff since the investigation began.

Shelby City Schools upholds and expects high standards of quality and conduct from all staff members. We remain committed to fostering a culture of respect, safety, and inclusivity for all students and staff. We will not and do not tolerate behavior that runs contrary to these values.

We appreciate your continued support as we navigate this situation, and we thank you for your cooperation and understanding.

Sincerely,

A handwritten signature in blue ink that reads "Michael G. Browning".
