

BILL #24-231; Kings Street Park and Johns Park – Perimeter Paths

Johns Park

King Street Park

Project Inspired by the...

-  6 Foot Path
-  5 Foot Walk
-  Accessible Curb Ramp
-  100'x55' Basketball Court

► **Project Summary:**

This project consists of installing approximately 4,315 ft (0.82 mi) of concrete walkways at King Street Park and Johns Park. Accessible curb ramps will be installed at pedestrian access points along the roadway. A 100'x55' basketball court will be installed at the King Street Park.

- **Cost Estimate**.....\$570,000
- **Funding Source**..... ARPA Funds
- **Construction Timeframe**...03/2025 – 07/2025
