Following a record-setting year in 2024 with 75,000 fans in attendance, and four consecutive years of sellouts, 2025 marks the biggest year yet for **Inkcarceration**.

Friday night at **Inkcarceration** will feature headliner **Falling In Reverse**, along with **Knocked Loose** and **Beartooth**; Saturday will be headlined by **Slipknot**, supported by **Marilyn Manson** and **Slaughter To Prevail**; and **Five Finger Death Punch** will headline Sunday, joined by **Three Days Grace** (with **Adam Gontier**) and **Lamb of God**.

**Clown** of **Slipknot** said, "Slipknot is playing very few shows in the U.S. this year, so this will be special. It will be good to be back with our friends, family, and culture at the **Inkcarceration Music & Tattoo Festival**. Stay safe! Stay (sic)!"

**Ronnie Radke** of **Falling In Reverse** said, "I am honored to play side by side with legends like Slipknot, a band that I grew up listening to. See you soon, Ohio!!!"

"The fan experience at **Inkcarceration** is the top priority every year," added **Dan Janssen**, Co-Founder and GM of **Inkcarceration**. "We did a lot of work on the infrastructure after last year's event, such as adding space, more shade and a larger viewing area, an expansion that was imperative as this festival continues to grow. We could not be more excited to unveil it to the fans in 2025."

While festival co-producers **Danny Wimmer Presents** have unveiled some of the **Inkcarceration** 2025 bands in recent weeks, the full music lineup--including several reunions and rare performances--is as follows for the 7<sup>th</sup> year of **America's Rock, Metal and Tattoo Festival**: **Slipknot, Falling In Reverse, Five Finger Death Punch**,

Here's a sample of media praise for **Inkcarceration 2024**:

"...**Inkcarceration Music & Tattoo Festival** made a vibrant return, infusing Mansfield, Ohio with a spectacular blend of visual and auditory art, set against the evocative backdrop of the historic, now-closed Ohio State Reformatory. Rock, metal, and body art have been intertwined since the dawn of time, and **Inkcarceration** is the ultimate celebration of the two colliding in an explosion of self-expression." - *Metal Injection*

"Fans more than got their fill across the weekend, enjoying more than just music. The campgrounds found attendees forging bonds with new friends. Grilling outdoors and even watching movies on a projector were just some of the fun activities back at camp. And, of course, with other experiences including the Blood Prison tour and a host of tattoo artists permanently inking the bodies of rock and metal fans, it truly was an experience for all." - *Loudwire*

"**Danny Wimmer Presents** continues to have a profound impact on the domestic rock festival landscape. The 2024 roster for **Inkcarceration Music and Tattoo Festival** reaffirmed the annual gathering at Historic Ohio State Reformatory as one of the premiere destinations for rock and metal of the year. Building on the momentum of three consecutive sold out years, the fest made its triumphant return with a three-day stretch that showcased a mammoth collection of performances spanning all styles of heavy music." - *Knotfest*

**Inkcarceration** is co-produced by **Danny Wimmer Presents**, one of the largest independent producers of destination music festivals in America, and **Reinkcarceration LLC**, a partnership that formed with the original founders of **INK** in 2021.

2024 marked the second season of **DWP's** paranormal investigative video series **Paranormal Prison**, which documented some of the supernatural experiences at **Ohio State Reformatory** during the festival with the help of **Inkcarceration 2024** bands **Halestorm**, **Hollywood Undead**, **I Prevail**, **Chimaira**, **Killswitch Engage**, **Machine Head**, **Shadows Fall** and more.
