

Wear Blue!

Take a stand against child abuse and neglect!

April is National Child Abuse Prevention Month

Every factory, business, organization, agency and school can help raise community awareness about this important issue on Wednesday, April 8, 2026.

Across Ohio, people will “Wear Blue” on that day, sending a positive message that children are our most precious resource and that everyone must work together to protect them. Since child abuse happens to people in all walks of life, we hope people throughout Richland County will participate.

We ask YOU to partner with us to help prevent child abuse and neglect in our community.
