

Local teachers receive grants from Richland County Foundation

(Photo: Ontario Stingel Elementary School Teacher Autumn Barry received a grant last year for a phonics program.)

MANSFIELD – The Richland County Foundation Board of Trustees approved education grants totaling over \$83,000. Funding was provided from the unrestricted grant budget as well as field of interest funds.

Education grants are selected by a committee made up of board members and people from the community for creative and innovative supplemental programs not covered by school funding. The grants are given to K-12 teachers in public or private Richland County schools to encourage them to develop new programs for their classrooms.

The following teachers received funding:

*MOESC is Mid-Ohio Educational Service Center and RSAA is Richland School of Academic Arts.

About the Richland County Foundation

The Richland County Foundation, a not-for-profit 501c3, was established in 1945 as a way for individuals to pool and invest their gifts for the long-term good of Richland County and its residents.

The Foundation helps people in Richland County give back to their community by investing their gifts wisely so that grants can be made to improve the quality of life for all the county's citizens. Working together with donors, the Foundation meets important needs today and plans for a strong future.
