Subject: Search Warrant 238 E 2nd St.

On September 10th, the Northern Ohio Violent Fugitive Task Force (NOVFTF) served an arrest warrant at 238 E. 2nd Street in Mansfield. While at the residence, members of the NOVFTF observed a firearm in plain view and contacted the METRICH Enforcement Unit.

Based on information obtained during the investigation, the METRICH Enforcement Unit subsequently obtained and executed a search warrant at the residence. During the search, investigators seized a shotgun, a pistol, nearly \$3,000 in U.S. currency, suspected fentanyl, and approximately 100 grams of suspected cocaine.

The investigation remains ongoing, and charges will be filed at a later date.

This enforcement action demonstrates the continued commitment of the METRICH Enforcement Unit and its law enforcement partners to disrupting drug trafficking and improving public safety throughout Richland County.

The METRICH Enforcement Unit will continue to target those responsible for bringing and distributing illegal drugs within our communities and encourages citizens to report suspected drug activity.

METRICH is a ten county decentralized task force in North Central Ohio whose mission is to improve the quality of life for the citizens we serve by reducing the availability of illegal drugs and weapons through proactive enforcement efforts. The success of METRICH is a tribute to the cooperation and support within the Law Enforcement Community in the METRICH region and to those citizens who have chosen to improve the quality of life in their communities by assisting METRICH in reporting suspicious activity and valuable information.
